Petitioner/applicant is cautioned to avoid submitting information in documents filed in a patent application that contributes to identify theft. Personal information (such as social security numbers, bank account numbers, or credit card numbers (other than a check or credit card submitted for payment purposes)) is never required by the USPTO to support a petition or an application. If such personal information is included in documents submitted to the USPTO, petitioner/applicant should consider removing such personal information from the documents before submitting them to the USPTO. Petitioner/applicant is advised that the contents of a patent application is available to the public at publication of the application (unless a non-publicity request in accordance with 37 CFR 1.213(a) is made in the application or issuance of a patent. Furthermore, the contents of a pending application may also be available to the public if the application is referenced in a published application or issued patent (see 37 CFR 1.14). Checks and credit card authorization forms PTO-2035 submitted for payment purposes are not retained in the application file and therefore are publicly available.

I hereby declare that all statements made herein are true and that all statements made on information and belief are believed to be true; and further, that all statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. 1001 and that such willful false statements may jeopardize the validity of any patent issued thereon.
